

Educational and Mental Health Implications of Language Deprivation in Deaf Children:

Statewide Conference on Education of the Deaf (SWCED) Pre-Conference

July 17, 2016 | Noon - 5:00 p.m.

**Embassy Suites San Marcos Hotel Conference Center and Spa
1001 E. McCarty Ln. | San Marcos, Texas 78666**

Presented by Dr. Neil Glickman

What happens to the deaf children who don't succeed in acquiring either spoken, written, or sign language skills that are sufficient for competent psychological functioning? This pre-conference workshop will look at the growing attention within the new field of Deaf Mental Healthcare to mental health work with deaf persons who have been severely language deprived.

Neil S. Glickman, Ph.D., is a licensed psychologist in Massachusetts who specializes in cognitive behavioral psychotherapy and deaf mental healthcare.

Registration

Cost for this session is \$35 per participant. To register, visit www.esc11.net and click on "Register," or click on the link below:
